SUP. DIMITRIJEVIC ON HAND AS SOUTH SIDE REVITALIZATION CONTINUES

Grand opening for new M&I Bank building at 27th & National

Milwaukee, WI –Milwaukee County Supervisor Marina Dimitrijevic was on hand for this morning's grand opening of a newly constructed M&I Bank branch location at S. 27th Street & W. National Avenue in Milwaukee.

"Today's ribbon-cutting ceremony continues the revitalization of this vibrant corridor," Supervisor Dimitrijevic said. "From the dazzling renovation of Milwaukee County's Mitchell Park Domes to the new Walgreens at this intersection, this neighborhood looks drastically different than it did just a few years ago."

Supervisor Dimitrijevic noted that M&I is making a long-term investment in the near south side. The beautiful new building was constructed on the same site as the previous M&I location. "I thank Milwaukee Alderman Bob Donovan and the Layton Boulevard West Neighbors for their vision to create these lasting improvements," Supervisor Dimitrijevic added. "I commend them for their hard work and perseverance. It's my pleasure to work with them in these efforts."
